

Data Processing Agreement

Relationship with the Agreement

We may collect information in the following ways:

- The parties agree that DPA shall replace any existing DPA the parties may have previously entered into in connection with the Services.
- Except for the changes made by this DPA, the Agreement remains unchanged and in full force and effect. If there is any conflict between this DPA and the Agreement, this DPA shall prevail to the extent of that conflict.
- Any claims brought under or in connection with this DPA shall be subject to the terms and conditions, including but not limited to, the

exclusions and limitations set forth in the Agreement.

- Any claims against Inline Manual or its Affiliates under this DPA shall be brought solely against the entity that is a party to the Agreement. In no event shall any party limit its liability with respect to any individual's data protection rights under this DPA or otherwise. Customer further agrees that any regulatory penalties incurred by Inline Manual in relation to the Customer Data that arise as a result of, or in connection with, Customer's failure to comply with its obligations under this DPA or any applicable Data Protection Laws shall count toward and reduce Inline Manual's liability under the Agreement as if it were liability to the Customer under the Agreement.
- No one other than a party to this DPA, its successors and permitted assignees shall have any right to enforce any of its terms.
- This DPA shall be governed by and construed in accordance with governing law and jurisdiction provisions in the Agreement, unless required otherwise by applicable Data Protection Laws.

Data collected

Among the types of Personal Data that this Website collects, by itself or through third parties, there are: Usage Data, first name, last name, email address, Cookies, Data communicated while using the service and various types of Data. Complete details on each type of Personal Data collected are provided in the dedicated sections of this privacy policy or by specific explanation texts displayed prior to the Data collection.

Personal Data may be freely provided by the User, or, in case of Usage Data, collected automatically when using this Website.

Unless specified otherwise, all Data requested by this

Website is mandatory and failure to provide this Data may make it impossible for this Website to provide its services. In cases where this Website specifically states that some Data is not mandatory, Users are free not to communicate this Data without consequences to the availability or the functioning of the Service.

Users who are uncertain about which Personal Data is mandatory are welcome to contact the Owner.

Any use of Cookies – or of other tracking tools – by this Website or by the owners of third-party services used by this Website serves the purpose of providing the Service required by the User, in addition to any other purposes described in the present document and in the Cookie Policy, if available. Users are responsible for any third-party Personal Data obtained, published or shared through this Website and confirm that they have the third party's consent to provide the Data to the Owner.

Mode and place of processing the Data

Methods of processing

The Owner takes appropriate security measures to prevent unauthorized access, disclosure, modification, or unauthorized destruction of the Data.

The Data processing is carried out using computers and/or IT enabled tools, following organizational procedures and modes strictly related to the purposes indicated. In addition to the Owner, in some cases, the Data may be accessible to certain types of persons in charge, involved with the operation of this Website (administration, sales, marketing, legal, system administration) or external parties (such as third-party technical service providers, mail carriers, hosting providers, IT companies, communications agencies) appointed, if necessary, as Data Processors by the

Owner. The updated list of these parties may be requested from the Owner at any time.

Service Providers

Our servers are hosted by a third party WorldStream B.V. to facilitate our service ("Service Providers"), to provide the service on our behalf, to perform service-related services or to assist us in analyzing how our Service is used.

This third party has access to your Personal Data only to perform these tasks on our behalf and are obligated not to disclose or use it for any other purpose.

Legal basis of processing

The Owner may process Personal Data relating to Users if one of the following applies:

- Users have given their consent for one or more specific purposes. Note: Under some legislations the Owner may be allowed to process Personal Data until the User objects to such processing ("opt-out"), without having to rely on consent or any other of the following legal bases. This, however, does not apply, whenever the processing of Personal Data is subject to European data protection law;
- provision of Data is necessary for the performance of an agreement with the User and/or for any pre-contractual obligations thereof; processing is necessary for compliance with a legal obligation to which the Owner is subject;
- processing is related to a task that is carried out in the public interest or in the exercise of official authority vested in the Owner; processing is necessary for the purposes of the legitimate interests pursued by the Owner or by a third party.

In any case, the Owner will gladly help to clarify the specific legal basis that applies to the processing, and

in particular whether the provision of Personal Data is a statutory or contractual requirement, or a requirement necessary to enter into a contract.

Place

The Data is processed at the Owner's operating offices and in any other places where the parties involved in the processing are located.

Depending on the User's location, data transfers may involve transferring the User's Data to a country other than their own. To find out more about the place of processing of such transferred Data, Users can check the section containing details about the processing of Personal Data.

Users are also entitled to learn about the legal basis of Data transfers to a country outside the European Union or to any international organization governed by public international law or set up by two or more countries, such as the UN, and about the security measures taken by the Owner to safeguard their Data.

If any such transfer takes place, Users can find out more by checking the relevant sections of this document or inquire with the Owner using the information provided in the contact section.

Retention time

Personal Data shall be processed and stored for as long as required by the purpose they have been collected for.

Therefore:

- Personal Data collected for purposes related to the performance of a contract between the Owner and the User shall be retained until such contract has been fully performed.
- Personal Data collected for the purposes of the Owner's legitimate interests shall be retained as

long as needed to fulfill such purposes. Users may find specific information regarding the legitimate interests pursued by the Owner within the relevant sections of this document or by contacting the Owner.

The Owner may be allowed to retain Personal Data for a longer period whenever the User has given consent to such processing, as long as such consent is not withdrawn. Furthermore, the Owner may be obliged to retain Personal Data for a longer period whenever required to do so for the performance of a legal obligation or upon order of an authority.

Once the retention period expires, Personal Data shall be deleted. Therefore, the right to access, the right to erasure, the right to rectification and the right to data portability cannot be enforced after expiration of the retention period.

Detailed information on the processing of Personal Data

Personal Data is collected for the following purposes and using the following services:

Analytics

The services contained in this section enable the Owner to monitor and analyze web traffic and can be used to keep track of User behavior.

Data transfer outside the EU

The Owner is allowed to transfer Personal Data collected within the EU to third countries (i.e. any country not part of the EU) only pursuant to a specific legal basis. Any such Data transfer is based on one of the legal bases described below.

Users can inquire with the Owner to learn which legal basis applies to which specific service.

Other legal basis for Data transfer abroad (this Website)

If no other legal basis applies, Personal Data shall be transferred from the EU to third countries only if at least one of the following conditions is met:

- the transfer is necessary for the performance of a contract between the User and the Owner or of pre-contractual measures taken at the User's request;
- the transfer is necessary for the conclusion or performance of a contract concluded in the interest of the User between the Owner and another natural or legal person;
- the transfer is necessary for important reasons of public interest;
- the transfer is necessary for establishment, exercise or defense of legal claims;
- the transfer is necessary in order to protect the vital interests of the data subject or of other persons, where the data subject is physically or legally incapable of giving consent. In such cases, the Owner shall inform the User about the legal bases the transfer is based on via this Website.

Personal Data collected: various types of Data.

Data transfer to countries that guarantee European standards (this Website)

If this is the legal basis, the transfer of Personal Data from the EU to third countries is carried out according to an adequacy decision of the European Commission.

The European Commission adopts adequacy decisions for specific countries whenever it considers that country to possess and provide Personal Data protection standards comparable to those set forth by EU data protection legislation. Users can find an

updated list of all adequacy decisions issued on the European Commission's website.

This type of service allows Users to interact with third-party live chat platforms directly from the pages of this Website, for contacting and being contacted by this Website support service.

If one of these services is installed, it may collect browsing and Usage Data in the pages where it is installed, even if the Users do not actively use the service. Moreover, live chat conversations may be logged.

Registration and authentication

By registering or authenticating, Users allow this Website to identify them and give them access to dedicated services.

Depending on what is described below, third parties may provide registration and authentication services. In this case, this Website will be able to access some Data, stored by these third-party services, for registration or identification purposes.

Tag Management

This type of service helps the Owner to manage the tags or scripts needed on this Website in a centralized fashion.

This results in the Users' Data flowing through these services, potentially resulting in the retention of this Data.

Further information about Personal Data

Personal Data collected through sources other than the User

The Owner of this Website may have legitimately collected Personal Data relating to Users without their knowledge by reusing or sourcing them from third

parties on the grounds mentioned in the section specifying the legal basis of processing.

Where the Owner has collected Personal Data in such a manner, Users may find specific information regarding the source within the relevant sections of this document or by contacting the Owner.

User identification via a universally unique identifier (UUID)

This Website may track Users by storing a so-called universally unique identifier (or short UUID) for analytics purposes or for storing Users' preferences. This identifier is generated upon installation of this Application, it persists between Application launches and updates, but it is lost when the User deletes the Application. A reinstall generates a new UUID.

Analysis and predictions based on the User's Data ("profiling")

The Owner may use the Personal and Usage Data collected through this Website to create or update User profiles. This type of Data processing allows the Owner to evaluate User choices, preferences and behaviour for the purposes outlined in the respective section of this document.

User profiles can also be created through the use of automated tools like algorithms, which can also be provided by third parties. To find out more, about the profiling activities performed, Users can check the relevant sections of this document.

The User always has a right to object to this kind of profiling activity. To find out more about the User's rights and how to exercise them, the User is invited to consult the section of this document outlining the rights of the User.

Payments

We may provide paid products and/or services within the Service. In that case, we use third-party services

for payment processing (e.g. payment processors). We will not store or collect your payment card details. That information is provided directly to our third-party payment processors whose use of your personal information is governed by their Privacy Policy. These payment processors adhere to the standards set by PCI-DSS as managed by the PCI Security Standards Council, which is a joint effort of brands like Visa, Mastercard, American Express and Discover. PCI-DSS requirements help ensure the secure handling of payment information.

The payment processors we work with are:

The rights of Users

Users may exercise certain rights regarding their Data processed by the Owner.

In particular, Users have the right to do the following:

- **Withdraw their consent at any time.** Users have the right to withdraw consent where they have previously given their consent to the processing of their Personal Data.
- **Object to processing of their Data.** Users have the right to object to the processing of their Data if the processing is carried out on a legal basis other than consent. Further details are provided in the dedicated section below
- **Access their Data.** Users have the right to learn if Data is being processed by the Owner, obtain disclosure regarding certain aspects of the processing and obtain a copy of the Data undergoing processing.
- **Verify and seek rectification.** Users have the right to verify the accuracy of their Data and ask for it to

be updated or corrected.

- **Restrict the processing of their Data.** Users have the right, under certain circumstances, to restrict the processing of their Data. In this case, the Owner will not process their Data for any purpose other than storing it.
- **Have their Personal Data deleted or otherwise removed.** Users have the right, under certain circumstances, to obtain the erasure of their Data from the Owner.
- **Receive their Data and have it transferred to another controller.** Users have the right to receive their Data in a structured, commonly used and machine readable format and, if technically feasible, to have it transmitted to another controller without any hindrance. This provision is applicable provided that the Data is processed by automated means and that the processing is based on the User's consent, on a contract which the User is part of or on pre-contractual obligations thereof.
- **Lodge a complaint.** Users have the right to bring a claim before their competent data protection authority.

Details about the right to object to processing

Where Personal Data is processed for a public interest, in the exercise of an official authority vested in the Owner or for the purposes of the legitimate interests pursued by the Owner, Users may object to such processing by providing a ground related to their particular situation to justify the objection. Users must know that, however, should their Personal Data be processed for direct marketing purposes, they can object to that processing at any time without providing any justification. To learn, whether the Owner is processing Personal Data for direct marketing

purposes, Users may refer to the relevant sections of this document.

How to exercise these rights

Any requests to exercise User rights can be directed to the Owner through the contact details provided in this document. These requests can be exercised free of charge and will be addressed by the Owner as early as possible and always within one month.
